- Clinical Research Networks

Dept Of Health

NETWORKING INTERFACE

NHS CLINICAL LEADERS NETWORK

- Frontline Clinician Managers
- Frontline AHP Leaders
- Frontline Nurse Leaders
- Frontline Doctor Leaders

Clinical Leaders Network
In the new system, we want to ensure that the benefits of clinical networks, whether formal or informal, continue. Where professionals and organisations see value in working as a network to improve care, they should do so.”

Prof Sir Bruce Keogh
Medical Director

Jane Cummings
Chief Nursing Officer

The Way Forward
Strategic clinical networks
NHS CLN – 5 Programme Principles

- Improving Service Quality
